CONTENTS

GENERAL SESSION

Presidential Address
James L. Williams, Jr. 9
A Look at the Tentative Guidelines for Registering Pesticides in the United States
Lawrence H. Hannah 10
Herbicide Registration in Canada
Thomas Curren 10
Aquatic Plants and Associated Ecosystems
John R. Allan 12
Aquatic Herbicides and the Aquatic Environment
Robert C. Hiltibran 12
The Place of Herbicides in Game and Wildlife Management
Donald A. Spencer 14, 85
Herbicides and Other Pesticides in the Urban Environment
Robert Newman 14

WEED CONTROL IN FIELD CROPS—CORN AND SORGHUM

Herbicide Use on Corn and Soybeans in the North Central Region, 1972
Herman W. Delvo 17
The Control of Weeds in Corn in Western Canada
Richard D. Dryden 19
Fall Panicum Control in Corn with Postemergence Herbicide Treatments
A. D. Kern and W. F. Meggitt 20
Weed Control Results with Dicamba Plus Alachlor in Midwest Corn
John R. Abernathy, N. E. Leffler and A. S. Eddins 20
Effect of Corn Residue on Herbicide Performance Across Nebraska
Gail A. Wicks, Russell S. Moomaw, Charles R. Fenster and Orvin C. Burnside 20
The Phytotoxicity of Dicamba to Corn and Broadleaf Weeds When Applied with Additives
B. A. Brinkman and W. E. Arnold 21
A New Herbicide for Weed Control in Corn in the North Central States
Anthony Tafuro 22
Woolly Cupgrass, **Eriochloa villosa** (Thunb.) Kunth., A New Annual Grass Weed in Minnesota
Gerald R. Miller 22
Crop Protectants and the Use of Thiocarbamates in Corn
William F. Meggitt, Al D. Kern and Thomas F. Armstrong 22
Alleviation of EPTC Injury to Corn with 1,8-naphthalic anhydride
James Ahle and Elvis Cozart 23
Reducing Herbicide Damage to Sorghum with Crop Protectants
Ronald F. Spotanski and Orvin C. Burnside 23
Control of Weeds in Grain Sorghum Across Nebraska
O. C. Burnside and G. A. Wicks 24
Effective Weed Control by Commercial Application of Herbicides in Liquid Fertilizers
T. P. Traise, J. J. Alexander, G. M. Chin and J. F. Brandenburg 24

WEED CONTROL IN FIELD CROPS—BEANS AND SUGARBEETS—AND WITH NEW HERBICIDES

Soybean Herbicide Trials in Nebraska in 1972
R. S. Moomaw and O. C. Burnside 25
Herbicide and Application Combinations for Weed Control in Soybeans
James S. Ladlie and William F. Meggitt 27
Response of Soybean Varieties to Bentazon
L. M. Wax, R. L. Bernard and R. M. Hayes 28
The Effect of Several Herbicides on Nutsedge Control in Soybeans
James A. Tweedy, George Kapusta and Oyemola Kale 28
Efficacy of Bentazon on Burcucumber and Certain Serious Weeds in Indiana
Walter J. Weber, L. Christopher, J. Fulmer, D. Haniford and E. Kessler 29
Weed Control with Trifluralin in Horsebeans (Faba Beans) Grown in Southern Manitoba
Jon R. Anderson and John R. Rogalsky 29
Trifluralin Subsurface Injected: Bindweed Control and Crop Tolerance
Wendell R. Arnold 30
Control of Established Johnsongrass with Elevated Rates of Trifluralin
Merlyn L. Jones and John B. Edmondson 31
EPTC—Fall Application—Red River Valley
J. W. DiVall and G. D. Ragland 33
Several Factors Influencing Sugarbeet Injury in the Field and the Growth Chamber
Roger A. Weinlaeder and Alan G. Dexter 33

MODOWN™—A New Broadleaf Herbicide
Paul J. Kruger 33
S-18510, A New Preemergent Herbicide for Soybeans
Joe Pullen and Elvis Cozart 34
Hercules 22234, A New Selective Herbicide for Field Crops
Stanley K. Lehman 35
Response of Certain Broadleaves to Sandoz 9789 in Soybeans
Walter J. Weber, L. Christopher, J. Fulmer, D. Haniford and E. Kessler 35
Weed Control in Field Beans in Nebraska
Charles R. Fenster and Gail A. Wicks 35

CEREALS, OIL SEEDS AND FORAGES

Effect of Wild Oat Density on Yields of Wheat, Barley, Rape and Flax
D. A. Dew 38
Wild Oat Control as Influenced by Seedbed Preparation, Cropping and Chemicals
W. E. Arnold and W. B. O'Neal 39
Asulam—A New Wild Oat Control Herbicide in Flax
P. N. P. Chow 39
FX-2182 and AC-84777 for Postemergence Control of Wild Oats in Wheat and Barley
Henry A. Friesen and Don A. Dew 39
Zero Tillage Crop Production in Manitoba
David I. Donaghy and Elmer H. Stobbe 41
Weed Population Response to Zero Tillage
David I. Donaghy and Elmer H. Stobbe 41
Herbicides for Alfalfa Seedling Establishment
R. G. Harvey 42
Effect of Surfactants on the Phototoxicity and Selectivity of 2,4-D Sprays in Oats
Oliver E. Strand and William E. Lueschen 42
Improvement of Linuron-MCPA Mixtures in Weed Control in Wheat and Flax
P. N. P. Chow 43
Japanese Chess Control in Native Pastures
W. E. Arnold and W. B. O'Neal 46

PHYSIOLOGY, EDAPHIC ASPECTS AND CONTROL OF SPECIFIC WEEDS

Effect of Additives on Dicamba
Sylvan Addink and John D. Nalewaja 47
Effect of Herbicides and Herbicide Combinations on Corn Oil
Donald Penner and William F. Meggitt 48
Translocation and Metabolism of C^{14} 2,4-D in Leafy Spurge (**Euphorbia esula** L.)
James H. Hunter and Gordon I. McIntyre 48
Uptake and Translocation of ^{14}C-NIA 23486 by Corn and Soybeans
Arthur A. Nethery 48
Soil Metabolism of Bentazon
C. E. Rieck, T. H. Wright, William Maksymowicz and L. Thompson, Jr. 50
Selectivity of Bentazon Between Soybean and Canada Thistle
Donald Penner 50
Effect of Dinitramine on Soil Microorganisms
W. S. Belles 50
The Relationship Between Soil pH and Metribuzin Activity
James S. Ladlie and William F. Meggitt 51
Factors Influencing Corn Injury from Alachlor and Other Herbicides
R. G. Harvey and B. N. Devisetty 51
Movement of Picloram in Soil Columns
R. Grover 51
Root Distribution and Propagation of Common Milkweed
Larry L. Evetts and Orvin C. Burnside 52
Herbicidal Properties of WL 17731 and Synergistic Response of WL 17731 and Barban
E. H. Stobbe and F. A. Holm 52
Postemergence Wild Oat Control with Triallate in Wheat
Stephen D. Miller and John D. Nalewaja 52
Canada Thistle Control with Glyphosate and Metribuzin
W. E. Arnold and W. B. O'Neal 53
Quackgrass Control with Glyphosate
Richard Behrens and Mohamed Elakkad 54
Effective Control of Quackgrass with Fall and Spring Applications of Glyphosate
Paul Sprankle and William F. Meggitt 54
Response of Hemp Dogbane to the Isopropylamine Salt of Glyphosate (MON-2139)
Don Barnes and Ron Brenchly 54

Response of Yellow Nutsedge to Bentazon, Glyphosate and MBR 8251
E. W. Stoller and L. M. Wax 55
Glyphosate for Control of Leafy Spurge and Other Perennial Weeds
Calvin G. Messersmith 55
Evaluation of Glyphosate (MON-2139) for Control of Johnsongrass and Bermudagrass
W. Albert Dowland and James A. Tweedy 55
Herbicidal Control of Johnsongrass in Noncropland
Fred W. Roeth 56
Control of White Snakeroot by Five Selected Herbicides
Mary A. Martin and Merrill A. Ross 57
Field Bindweed Control with Trifluralin as Influenced by Seedbed Preparation
W. B. O'Neal and W. E. Arnold 58
Relative Activity of Four Experimental Herbicides in Laboratory, Greenhouse and Field Tests
Edwin F. Koldenhoven 58
Genetic and Environmental Factors in the Flowering of **Thlaspi Arvense** L.
Keith F. Best and Gordon I. McIntyre 60

TURF, ORNAMENTALS AND AQUATICS

Weed Control in Nursery Lining Out Stock
Robert Newman and Larry Binning 61
Establishment of Various Ground Covers with Herbicides and Shredded Hardwood Bark
D. C. Saupe and A. J. Turgeon 61
Chemical Growth Retardation of Turfgrasses
Donald B. White and William G. Brown 61
Annual Bluegrass Control with Arsenicals—Field and Laboratory Correlations
R. P. Freeborg and W. H. Daniel 62
Preemergence Herbicides and Their Effects on the Turfgrass Ecosystem
A. J. Turgeon 62
Evaluation of Herbicides for Crabgrass Control in a Spring Seeding of Several Turfgrass Species in Southern Illinois
James A. Tweedy 62
Phototoxicity of Preemergence Herbicides to Newly Planted Warm-Season Turfgrasses
J. H. Dunn, D. D. Hemphill and C. W. Lobenstein, Jr. 63
Grass Eradication with MON-2139
W. H. Daniel and R. P. Freeborg 64
Comparison of Several Herbicides for Control of Weedy Perennial Grasses in Conjunction with Overseeding
A. J. Turgeon 65
Observations on Vegetation Management with Mon-2139
Donald Steinegger, William Brown and Donald White 65
Five Year Attack on Excessive Aquatic Vegetation at Wascana Lake
J. R. Allen 65
Two-Prong Attack on Aquatic Plants on Lake Wabamun
J. R. Allen and Walter Yarish 65

WEED CONTROL IN HORTICULTURAL CROPS

San 9789 in Cranberries
Conrad D. Byrd and Louie J. Russo 66
The Effect of Cultural and Chemical Weed Control Treatments on the Growth on Young McIntosh Apple Trees on Three Different Rootstocks
Leonard B. Hertz 67
Application of EPTC Through Irrigation Water to Snapbeans
L. K. Binning, R. G. Harvey and G. Weis 68
Control of Annual and Perennial Weeds in Orchards with Glysophate
Alan R. Putnam, A. Paul Love and Gregory Pagano 68
Giant Foxtail and Velvetleaf Control in Sweet Corn
R. G. Harvey 69

EQUIPMENT AND HERBICIDE APPLICATION METHODS

Phytotoxicity and Compatability of Herbicide-Fertilizer Mixtures
Alan R. Martens and Orvin C. Burnside 70
Preplant Weed Control for No-Tillage Corn
Don Erbach and Walt Lovely 70
ACCUTROL—A New System for Pesticide Application
Lewis L. Flanagan 70
Chemical Auxiliaries
B. F. Fay and J. J. Melton 72

The Herbicidal Glove—A New Concept for the Localized Application of Herbicides to Weeds in Susceptible Crops
John Holroyd 74
The Impregnation of Dry, Bulk Blended Fertilizer with Trifluralin and Benefin
W. T. Thomson 76
Potential Use of Low Volume for Weed Control
Keith Patrick 77
Application of Preplant Herbicides for No-tillage Corn
Donald C. Erbach and Walter G. Lovely 77

EXTENSION

Weed Control Activities in Europe
Ellery L. Knake 78
Herbicide Performance Demonstrations
L. E. Anderson 78
Identification of Annual Grass Weeds
Tom F. Armstrong, Larry W. Hendrick and W. F. Meggitt 78
Handling Herbicide Performance Complaints—Industry's Viewpoint
R. J. Frank 79
Handling Herbicide Performance Complaints—Extension Viewpoint
Leon J. Wrage 79
Urban Horticulture—Weed Control Recommendations and Problems—Panel Discussion
Roman R. Romanowski 79
Public Reaction to Spraying and Newspaper Notices
N. A. Korven 79
Wisconsin Looks at Home Horticulture
Robert Newman 80
Herbicides in Urban Horticulture
F. D. Leavitt 81
Soil Sterilants and the Homeowner
W. Yarish 81
Creeping Bellflower—A Problem Weed in Lawns
Larry W. Mitich 81

RESIDENT EDUCATION

Training Graduate Students for Industry
W. D. Carpenter 82
Training Graduate Students for Extension
Edward W. Stroube 82
Training Graduate Students for Teaching
Rodney J. Fink 82
Training Graduate Students for Research
G. F. Warren 83
Graduate Weed Science Courses
E. H. Stobbe and D. E. Schafer 83
Graduate Training for M.S. Candidates in Weed Science
Orvin C. Burnside 84
Graduate Training for Ph.D. Candidates
F. W. Slife 84
What Plants Need to Grow to Feed You
O. A. Wolcott and Marshal McGlamery 84

ADDENDUM TO GENERAL SESSION 85

PRESENTATION OF HONORARY MEMBERSHIP 87

MEETING OF BOARD OF DIRECTORS 88

NCWCC COMMITTEES FOR 1972 105

REGISTRATION LIST — NCWCC 106

PREPARATION OF BRIEF RESEARCH REPORTS FOR 1973 115

AVAILABLE PROCEEDINGS AND RESEARCH REPORTS 120

LIST OF SUSTAINING MEMBERS ..... Inside back cover
